

Lappe Nordic Ski-at-School Program

We are seeking positive and energetic coaches to work in our Ski-at-School program. This winter will be the third season of our program. We are planning to introduce 140 students, from grade 4 to 8, to cross country skiing this winter. Groups will attend four weekly sessions between mid-January through to the end of February. Sessions are 2 hours and run late morning to mid-afternoon. This winter we will be adding 3 to 4 coaches to our Ski-at-School coaching staff. There is also the need for 3-4 assistant coaches.

Requirements

- We are seeking people with varied leadership and coaching experience.
- Cross Country Ski proficiency in skate technique is required.
- NCCP Introduction to Community Coaching (ICC) requirement is minimum (with L2T desired).

Compensation

- Coaches will receive a minimum \$45 per session.
- Assistant coach positions will be volunteer. The position will offer a valuable learn experience and the assistant coach will contribute to a positive outdoor sport experience for young students.

Application Process

Please email a brief coaching/leadership summary with a cover letter by Friday, December 1st, 2017 to:
