NOTE: Masters "A" categories will have more challenging courses than Masters "B" categories.

Each team will comprise 2 persons and each person will ski 3 laps of the loop for the respective categories. One person skis Leg 1 and then tags his/her partner who then skis Leg 2 who then tags the first person again. In total the team skis 6 laps.

For the purpose of making up teams, any two people, regardless of gender, from categories for a designated course may form a team. For example, for the 800m loop, a Junior Girl could team up with a Master A Man or two Junior Boys could form a team.
