

Why should you join the Lappe Nordic Ski CENTRE?

The Lappe Nordic Ski Center is a privately owned ski facility. A trail pass at the Lappe Nordic Ski Center offers you access to one of Canada's premier ski facilities. This includes:

- A variety of terrain for skiers from recreational trails to hills that challenge even the fittest ski racers
- World class trail grooming
- Higher altitude and distance from Lake Superior which secures great snow conditions and a long ski season. During the winter when it rains in town, it snows at Lappe!
- Spacious, heated waxing rooms

- Hot sauna after your ski
- Great Finnish pancakes

However, that is not all that Lappe is about...
